## Christmas Gifts - Year 2007

Below are some items and suggestions to consider.

---

### BOOKS

1. Finally! **“Thy Kingdom Come - The Life and Mission of Luisa Piccarreta”** by Hugh Owen. This ‘brand new’ biography of Luisa Piccarreta has just become available after ten years of preparation and communications with the Hierarchy in Luisa’s diocese, which gave the “go ahead” to publish last April. Mr. Owen went to great pains to accommodate the suggestions of the hierarchy, and he had interviews with Sister Assunta, who probably knows more about Luisa’s life than anyone living, in order to assure the book’s accuracy. 140 pages including appendix. Suggested Donation: **\$7.95.**
2. **“Be Faithful and Attentive”**—*“The” Handbook for living in the Divine Will!* Rave reviews from Priests and laity alike. 923 pages, with beautiful typography but only one inch thick. Bible stock paper with rounded corners and purpled edges; black hardcover with gold lettering and sewn binding with ribbons installed. Includes 297 pages of Rounds of Creation, Redemption and Sanctification. Easy to read and filled with great wisdom for practical living in the Divine Will. Suggested donation: **\$24.95** (*book is available until inventory is depleted.*)
3. **“Only Jesus”** by the Servant of God Archbishop Luis Maria Martinez, well known as the author of “The Sanctifier.” Archbishop Martinez considered **“Only Jesus”** to be his masterpiece! Formerly, this marvelous book was offered for the suggested donation of \$14.95. We offered it at the recent Conference in Cincinnati for suggested donation of **\$7.50** and almost immediately all copies were gone. Still available for **\$7.50.**
4. **“The Hours of the Passion of Our Lord Jesus Christ”** This is the new edition published with permission last year. It is St. Hannibal di Francia’s 4th edition, with a extraordinary introduction from St. Hannibal and includes the Reflections after each hour. Undoubtedly the best and most efficacious meditations on the Passion of Jesus ever published, with some marvelous promises for reading these pages in our times. Stunning artwork on the front and back covers. The suggested donation for the hardcover edition is **\$15.95** and **\$9.95** for the soft cover edition. (*book is available until inventory is depleted.*)
5. **“Blessed Dina Belanger Autobiography.”** This is an incredible book, which came into my life shortly after I learned about Luisa Piccarreta in 1973. It was a great gift from God to teach me what was needed when I had scarcely any of Luisa’s writings. It seems that Blessed Dina lived in the Divine Will, because she relates things that happened between her and Jesus that would be very difficult to explain otherwise, such as Jesus living her life for her with all the attributes and perfections of his Divinity, while her soul was in Heaven, and her entering into the very Essence of God to live the life of eternity, while still alive! Sugg.donation: **\$21.00** (Due to price increase to us)
6. **(Not a Book): “Will of God Bracelet”** : Hand-made in individual bags. These bracelets have colored beads with larger, flat, white beads in the center with “WILL OF GOD” spread across the beads. Jesus told Luisa that the mere expression “Will of God” contains an eternal portent, which has no equal and embraces all—Heaven and Earth... Suggested Donation: **\$6.00**
